All about the location

Portixol, once a small fishing village, is now one of the most sought-after districts of Palma de Mallorca. Located directly on the coast and just a few minutes from the city center, Portixol offers the perfect combination of urban lifestyle and Mediterranean flair. Its location right by the sea with a well-kept promenade, numerous cafés, restaurants and stretches of beach makes this place particularly attractive for locals and international visitors. Despite the quiet atmosphere, Portixol has excellent transport connections. Palma de Mallorca airport is only a 10-minute drive away and is easily accessible via the nearby Autovía Ma-19. The center of Palma can also be reached quickly by car, bicycle or public transport. A well-developed bus service provides regular connections to the city center and surrounding districts.

In addition, a popular cycle and footpath runs directly along the coast, connecting Portixol with the old town of Palma and the eastern suburbs - ideal for commuters, recreational athletes and walkers.
