## **A first impression**

**In the historic center of Palma, in the sought-after Sant Jaume district, you will find a completely renovated, high-quality apartment with open, unobstructed views and exceptional brightness. High ceilings, exposed wooden beams and Mediterranean character combine with contemporary design and fine materials such as premium porcelain surfaces, wood and golden fittings.**

**The apartment offers a spacious living/dining area with designer kitchen, two bright double bedrooms, an elegant bathroom and plenty of storage space - unusual for the old town center. High-quality fixtures and fittings such as intelligent heating systems, modern fans and completely renewed pipes ensure comfort and security. There are no communal costs and only minor finishing work remains to be done.**

**The property impresses with its ideal room layout, its light conditions, its special location in the quiet but central Sant Jaume and its proximity to boutiques, restaurants, museums and all urban amenities. A rare property of lasting value in the heart of Palma.**
