A first impression

In the quiet location of Sa Casa Blanca, just a few minutes from Palma, this exceptional property awaits you - a true retreat that combines rustic charm, sustainable features and extensive natural areas to create a unique overall picture. A Mediterranean paradise extends over an impressive 8,425 m² with terraced farmland, well-tended garden areas, lush fruit trees and unobstructed views that guarantee absolute tranquillity and maximum privacy.

The main building with a living area of approx. 143 m² combines traditional Mallorcan elements with contemporary functionality. A light-flooded living and dining room with a cozy fireplace, an additional living room, a spacious, fully equipped kitchen with pantry and four bedrooms - two doubles and two singles - create a warm, inviting atmosphere that immediately inspires. The space is complemented by a bathroom, a practical utility room and a garage.

Several outbuildings extend the potential of the property. Particularly noteworthy is a 50 m² farm building, which offers a variety of uses - whether for agricultural purposes, as a studio, workshop or for individual conversion.

The outdoor area is a true oasis of relaxation and Mediterranean lifestyle: a private pool surrounded by nature and green spaces, sunny terraces, a covered veranda with barbecue area and other places to linger create the perfect conditions for unforgettable moments with family and friends. Covered parking for two vehicles and a former animal enclosure round off the offer.

Additional comfort is provided by high-quality features such as double-glazed aluminum windows, wooden doors, robust tiled floors, an efficient photovoltaic system, a private well and the lush vegetation of fruit trees, which give the property its unmistakable, natural character.

This property is ideal for anyone who is looking for a private, natural retreat close to the city and at the same time values sustainability, charm and an exclusive living ambience. A unique offer in a quiet and privileged location on the outskirts of Palma - rare, stable in value and full of possibilities.
