A first impression

This exceptional property is located in the midst of the breathtaking nature of Son Cabaspre in Esporles. Surrounded by a protected nature reserve and only around 30 houses in the entire street, this property offers a tranquillity and privacy that is rarely found on Mallorca. A place where absolute tranquillity, fresh air and unspoiled nature define everyday life.

The house has 5 rooms, currently 3 bedrooms, which can easily be extended to 5 bedrooms if required. This makes the property ideal both as a private retreat and as a family or vacation residence with plenty of scope for design.

The property impresses with its naturalness and sustainable character: a private well provides the water supply and, thanks to a modern solar system, the house is powered entirely by solar energy during the day. Electricity from the grid is only needed at night - with additional batteries, the property could even be completely self-sufficient. This combination of comfort and sustainable living makes the property particularly future-proof.

The location in the nature reserve guarantees a unique, peaceful environment without traffic noise or dense development. Here you wake up in the morning to the sound of nature and enjoy spectacular sunrises over the Mallorcan countryside. Despite its remoteness, Esporles is easily accessible and offers a charming, authentic infrastructure.

An exceptional property for people looking for peace, nature, sustainability and real quality of life.

All about the location

Esporles is nestled in the foothills of the Serra de Tramuntana on Mallorca. One of the attractions of Esporles is "La Granja", a historic manor house that serves as a museum. It offers fascinating insights into traditional Mallorcan life and includes beautiful gardens, workshops and an impressive collection of antiques. The church of San Pedro dominates the historic center of the village with its Gothic style. The nearby monastery "Cartuja de Valldemossa" and the elegant "Raixa" estate are further highlights. For nature and sports lovers, Esporles is an ideal starting point for hiking and cycling tours in the Serra de Tramuntana, which offer breathtaking views and unspoiled nature.
