## A first impression

In a privileged location in Son Gual, one of the most dynamic and exclusive residential areas in the greater Palma area, this newly built villa is a statement of contemporary luxury and upscale living comfort. The elevated position offers impressive views over the bay of Palma, while the city center is only a 15-minute drive away - a rare combination of tranquillity, panoramic views and urban proximity.

The villa extends over three levels and boasts a clearly structured architectural concept. Generous glass surfaces, open transitions and well thought-out zoning characterize the modern living experience.

As soon as you enter the house, a spacious, light-filled living area opens up, in which the lounge, dining area and a high-quality designer kitchen are seamlessly connected. This level is complemented by a guest WC, a separate utility room and a comfortable bedroom with its own bathroom - ideal for guests or as a ground-floor retreat.

The upper floor is reserved for private living. Here you will find the spacious master suite with dressing room, elegantly appointed bathroom and direct access to a spacious terrace with spectacular panoramic views. Two further double bedrooms share a stylishly designed bathroom. From this level there is access to the roof terrace with solarium area - an exceptional place to enjoy sunsets over the bay in a private atmosphere.

The outdoor area has been planned with great care and combines Mediterranean garden architecture with modern design elements. An elegant pool with adjoining chill-out zone creates an exclusive ambience for relaxing and socializing outdoors.

In the basement, there is a spacious garage with space for up to three vehicles, a private fitness room and technical and storage rooms.

The villa meets the highest technical and quality standards: individually adjustable air conditioning, aérothermal underfloor heating, solar panels and a branded kitchen with Miele appliances underline the sustainable and future-oriented character. High-quality designer bathrooms with Grohe fittings round off the exclusive furnishing concept.
