A first impression

An exclusive penthouse on two levels that combines light, space and comfort in a special way. The spacious living area with open-plan kitchen opens up to the extensive terrace via an impressive window front, creating a harmonious interplay of indoor and outdoor space.

Your private, sunny roof terrace awaits you on the upper floor - a retreat with spectacular views over Palma and the lively Santa Catalina district. A place to enjoy the Mediterranean atmosphere and the special Mallorcan lifestyle.

The residential complex combines privacy with high-quality communal areas: the pool, solarium and garden invite you to relax, while a light-flooded gym provides space for energy and vitality.

The elegant entrance area leads to two elevators that conveniently take you to the apartments or to the two-storey parking garage with bicycle parking spaces and storage rooms - a well thought-out concept that combines luxury and suitability for everyday use.

The apartments boast a clear, bright room layout with large windows, open-plan kitchens, stylish living areas and private bedrooms. There is a choice of layouts with two or three bedrooms, two bathrooms and spacious terraces.

Three high-quality interior lines are available for individual design: Insula Light, Shine or Glam Style - for a home that perfectly matches your personal style.
