A first impression

This newly built, high-quality apartment is located in a modern residential complex with a total of 25 units and impresses with its contemporary architecture, energy-efficient construction and exclusive furnishings. The building has a prestigious lobby with video intercom, elevator, infinity pool with sun terraces and a fully equipped gym in the landscaped courtyard.

The apartment offers maximum comfort thanks to underfloor heating in all rooms, air conditioning (hot/cold) and an energy-efficient air heat pump with heat recovery. High-quality aluminum windows with thermal break ensure optimal heat and sound insulation.

Inside, you can expect large-format porcelain tiles, white lacquered interior doors, fitted wardrobes and a security entrance door. The open kitchen is equipped with a high-quality worktop, modern cupboards and brand-name appliances (Siemens, Bosch or equivalent). The elegantly designed bathrooms with walk-in showers and high-quality fittings underline the high standard of the property.

The offer is further enhanced by underground parking spaces for electric vehicles and private storage units.

All about the location

Santa Catalina is a fascinating district of Palma and with a population of around 20,000 people, this district is a vibrant center that attracts both locals and international residents. The streets are inviting and full of life, with a variety of stores, cafés and restaurants offering a wide range of culinary delights - from traditional Mallorcan dishes to international delicacies. A particular highlight is the Mercat de Santa Catalina, considered one of the oldest markets in the city, where you can find fresh produce, local specialties and artisan products. The architecture in Santa Catalina combines historic buildings with modern residential complexes and the narrow streets are lined with colorful houses adorned with flowering plants. For those interested in culture, there are numerous sights in Santa Catalina. The church of Sant Magí is a wonderful example of local architecture. There are also regular cultural events and festivals that strengthen the sense of community and keep the traditions of the region alive.

The location of Santa Catalina is another plus point. Just a few minutes from the city center and the picturesque beaches, the district offers a perfect balance between urban life and relaxation by the sea. Sports enthusiasts can take advantage of the coastal promenade for cycling or jogging, while water sports fans can indulge their passion in the nearby bays and beaches.

Overall, Santa Catalina is a district that impresses with its diversity, vibrant community and central location. It offers an excellent quality of life, making it an attractive destination for those interested in real estate who want to experience authentic Mallorcan life in a dynamic environment.
