All about the location

Binissalem, in the heart of the Raiguer region of Mallorca, is known for its wine production and picturesque landscape. Surrounded by vineyards, the village offers narrow alleys, cobbled streets and the impressive Gothic church of Santa Maria de Robines is surrounded by manor houses from the 18th and 19th centuries. Some of these houses can be visited, including Can Gelabert de la Portella, where the writer Llorenç Moyà (1916-1981) lived, or Can Sabater, the residence of the writer Llorenç Villalonga (1897-1980), one of the most important representatives of Mallorcan fiction of the 20th century. In September, the Festa des Vermar (Grape Harvest Festival) is celebrated, accompanied by an extensive program of activities such as workshops, exhibitions, parades, public wine pressing and folk dances. Another date is the Fira de la Pedra (Festival of the Stone) in May. At this popular festival, you can watch stonemasons and sculptors at work, and sculptures, fountains and other structures are exhibited. Hikers and cyclists will find many trails and spectacular views in the nearby Serra de Tramuntana. Binissalem is ideal for families and offers a peaceful environment with all amenities. Palma is only 25 km away and the airport around 30 km, making it easy to get to. Whether you are looking for a vacation home or a permanent residence, Binissalem offers a unique quality of life and numerous leisure activities.
