A first impression

In the middle of the gently rolling hills near Montuiri, this exceptional plot of approx. 15,800 m² is situated in a privileged, slightly elevated position. Nestled in a quiet valley, the property offers unobstructed panoramic views over the surrounding countryside and guarantees maximum privacy and authentic Mediterranean tranquillity - free from power lines, traffic or aircraft noise.

Despite the idyllic surroundings, the property boasts excellent accessibility. The Ma-15 highway can be reached in just a few minutes, while the center of Palma and the international airport are only around 25 to 30 minutes' drive away. Access is easy via an asphalted road.

There is already a fully approved building project for the plot, which can be realized in the near future. The architectural concept combines the timeless elegance of traditional Mallorcan construction with modern living comfort, high-quality materials and sustainable technology.

An exclusive outdoor area is planned with a spacious pool, stylish pool house including BBQ lounge, extensive terrace areas and an atmospheric fireplace. There is also the option of creating a private vineyard, which will lend the property additional Mediterranean character and exclusivity.

The living concept includes four spacious bedrooms, elegant bathrooms, underfloor heating and integrated air conditioning. The well thought-out room layout combines maximum comfort, functionality and privacy at a sophisticated level.

A sustainable energy concept with a photovoltaic system and a self-sufficient water supply from its own well underline the future-oriented character of this special property. The project is complemented by a garage, spacious terraces and a quiet, high-quality neighborhood in one of the most sought-after locations in the interior of Mallorca.
