Located in the vibrant heart of Palma, just a few steps from the popular Calle San Miguel, this exceptional historic apartment is situated in a prestigious building dating back to 1925. With a generous living area of approximately 196 m², this property combines historic character with a wide range of design possibilities and offers a unique home in one of the island's most sought-after locations.

The apartment impresses with its spacious layout, featuring a total of six rooms, two bathrooms, and a spacious living and dining area. Particularly noteworthy is the exceptionally bright atmosphere: All rooms face outward and are flooded with abundant natural light, creating a pleasant and welcoming living environment.

Characteristic features of the historic building lend the property its special charm, while tile and concrete floors underscore its authentic style. The functional built-in kitchen with an adjoining interior gallery offers additional storage space and practical uses.

An idyllic inner courtyard and a private storage room round out this attractive offering. Particularly forward-thinking is the project currently underway to install an elevator, which will further enhance living comfort.
