A first impression

This bright and spacious 3-room apartment is located on the 4th floor of a well-maintained building dating from 1955. The open-plan living and dining area and fitted kitchen offer an ideal blend of functionality and charm. The east-west orientation ensures plenty of natural light throughout the day, creating a pleasant atmosphere. The balcony provides ample space for breakfast and invites you to enjoy the morning sun. A large entrance hall, equipped with a new air conditioning unit, provides a harmonious connection to all rooms, ensuring a comfortable indoor climate during the summer months. A particular highlight is the potential to fully utilize the attic space – perfect for additional storage or creative pursuits. A complete renovation (plumbing and electrical installations) was carried out in 2013, and the roof was renovated in 2019. The bathroom and WC were remodeled in 2015. A virtual 360° tour is available on our website: www.von-poll.com/linz. The apartment is available for immediate occupancy.
