A first impression

Villa Mandarin II is an outstanding example of modern design that achieves a harmonious fusion with the elegance of dry stone, both in its interiors and exteriors. Situated on a generous plot of almost 1200 m², this residence embodies sophistication and an innate connection with nature.

The infinity pool and the manicured Mediterranean garden are seamlessly integrated, creating a visually stunning environment. With four bedrooms and four bathrooms spread over two floors, the villa offers a luxurious and functional space for everyday living.

The livingdining room, bathed in natural light that enters through its large windows, occupies a privileged position in a very sunny area of the property, providing a warm and welcoming atmosphere. Villa Mandarin is not only a residence, but a contemporary retreat that embraces natural beauty and modernity, offering an exceptional living experience in every detail.
