A first impression

In the heart of the historic center of Verona, a few steps from the Arena, we offer penthouse for sale served by an elevator. The property was completely renovated in 2001 with fine finishes and great attention to detail, creating a sophisticated and welcoming environment, perfectly balanced between elegance and functionality. The real strong point of the property is the large terrace, embellished with a semi-movable and openable veranda, heated to ensure optimal comfort in all seasons. An exclusive and evocative space, perfect for moments of relaxation and conviviality in the open air, a real added value for those who want to experience the historic center without sacrificing outdoor spaces. The entrance opens directly onto the living area, a refined environment characterized by a striking stone fireplace that gives warmth and character. The kitchen, custom made with professional fires, is designed to combine aesthetics and functionality and is connected to a perimeter balcony that runs along the inner side of the house, offering brightness and visual continuity to the spaces. The sleeping area consists of a spacious master bedroom with walk-in closet and en suite bathroom. We then find a second bedroom and an additional windowed bathroom equipped with shower. The property represents a unique solution thanks to its privileged location and terrace livable all year round, a true luxury in the heart of the city.
