Unique property on the lakefront

Directly on the fascinating Gabriele D'Annunzio lakeside promenade, in a location that combines history, elegance and privacy, this building enjoys direct contact with the water and a full view of the lake. The rarity of this lakeside property makes it a unique asset that will increase in value over time.

The property, currently divided into three apartments on the first, second and third floors, can be converted into a unique villa with elevator, with up to five bedrooms, five bathrooms, a bright panoramic living area on the top floor with direct access to the spectacular 90 m² roof terrace, all with lake views, as well as spaces for wellness and comfort such as a cinema room, a spa, a laundry room and technical rooms.

The property also includes two convenient garages with sectional doors located very close to the house, a significant advantage in such a central and exclusive environment. To receive confidential information and full documentation and to arrange a private viewing, simply write to us.

This is one of the few opportunities to own a lakeside home in one of the most sought after destinations, Gardone Riviera.

All about the location

History notes:

Gardone Riviera was annexed with Lombardy to the Kingdom of Sardinia in 1859 and became Italian in 1861, but the village's fortunes began with the arrival of the Italian-Austrian Wimmer family. Luigi and Emilia Wimmer in 1877 bought the Cargnacco estate, later purchased by d'Annunzio: they officially moved from Brescia to Gardone in 1880. In 1881 they opened their first hotel, Il Pizzocolo. Luigi Wimmer became mayor in 1881 and accelerated the transformation of the town, laying the foundations of the garden city with the creation of green walks. It was mainly doctors, such as Dr. Rodhen and Koeniger, who spread the merits of the resort in German specialist journals, as a winter health resort suitable for people with delicate health.

After Wimmer's untimely death, Mrs. Emilia would expand the family hotel by founding the Grand Hotel Gardone Riviera, a favorite vacation spot for the many guests from Central Europe and Russia who would stay in the Garda village.

Location and climate:

The town of Gardone Riviera, which overlooks Lake Garda, is enclosed to the west and south by the Morenic Hills and to the north by Mount Lavino. The hamlet of San Michele is the largest and is located upstream along with the hamlet of Morgnaga, while the hamlet of Fasano insists on the lake. The climate is mild throughout the year and very comfortable. On wonderful spring days one can witness the triumph of nature in bloom, in summer the light breeze mitigates the high temperatures, autumn offers enchanting sunny days, and even in winter the temperatures remain pleasant.

Natural beauties in the surroundings:

Garda Island, the largest island on the entire Lake Garda, belongs to the municipality of San Felice del Benaco. On the island is the luxurious palace of the Cavazza family, surrounded by beautiful Italian gardens and a rich forest composed of cypresses, acacias, and pines. Guided tours of this breathtaking island are organized with the Cavazza family between April and October. Feel the heavenly atmosphere of this small island on your skin. The Heller Botanical Garden and the Vittoriale degli Italiani are popular destinations for visitors from all over the world. The mountains above, by the way easily accessible on foot, offer breathtaking scenery.

Thrill-seekers can experience the thrill of hang gliding and paragliding from the top of Mount Spino and Mount Baldo. Several golf courses are reachable within 10 km, Arzaga, Garda and Colombaro. Walks on foot, bicycle or horseback will make your experiences magical, there are more than 100 km of bicycle paths going from the lakeside to hillside trails. For snow lovers, the prestigious resort of Madonna di Campiglio can be reached in just under two hours by car.
