A first impression

There are properties that are simply beautiful to look at. And then there are homes designed to be enjoyed to the fullest, every day.

This two-story villa falls into the latter category: a newly built, detached residence that combines contemporary design, advanced energy efficiency, and the privilege of a rare location, just a short walk from the center of Moniga del Garda and a short distance from the lakefront.

Set in an elegant and secluded residential neighborhood, the villa offers privacy, tranquility, and all amenities within easy walking distance: restaurants, shops, the town square, and the authentic charm of one of the most beloved villages in the Lower Garda region.

A project designed for those seeking uncompromising quality.

The modern architectural lines, the brightness of the rooms, and the attention to construction details make this property ideal both as a prestigious primary residence and as a refined vacation home.

The ground floor features a spectacular living area with large windows and direct views of the outdoors: the connection between interior and exterior is constant, natural, and elegant. The south-facing porch becomes a true extension of the home, perfect for al fresco dining, social gatherings, or simply enjoying the Lake Garda climate in every season.

The highlight of the outdoor area is the private pool with a sun deck, set within an exclusive garden that evokes the atmosphere of a boutique resort.

The sleeping area is dedicated to comfort.

The upper floor features three double bedrooms, designed to ensure privacy and well-being:

- master suite with private bathroom
- two spacious bedrooms served by a second bathroom
- large panoramic terrace that wraps around the villa and overlooks the pool area

Rounding out the property is an exclusive private rooftop, perfect as a lounge area, panoramic sun deck, or relaxation space at sunset.

All about the location

Buying in Moniga means buying in one of the most solid and desirable micro-zones in the Brescian Garda area.

Moniga del Garda is one of the most popular villages in Valtenesi, on the southwestern shore of Lake Garda, chosen by those seeking a more authentic, elegant, and private setting than the more touristy resorts.

Strategic location:

Moniga is located in one of the most sought-after areas of lower Garda bresciano, between Desenzano del Garda, Padenghe, Soiano and Salò. This means having nearby premium services, fine dining, marinas, golf courses, and quick connections to the highway and Desenzano AV station.

Relaxed yet sophisticated lifestyle, where the lake is experienced in an elegant way:

- manicured marina
- quiet beaches and bays
- scenic walks
- restaurants with lake views
- atmosphere
- perfect mix of vacation and permanent residence
- Valtenesi: one of the most beautiful areas of Lake Garda

Moniga is nestled in Valtenesi, an area renowned for:

- green hills and vineyards
- historical olive groves
- biking and trekking trails
- quality agritourisms and wineries
- open and refined landscape

The port of Moniga is one of the town's highlights. From here it is easy to reach:

- Sirmione
- Garda / Bardolino

- Garda Island

In the immediate vicinity are some of the best golf courses in Garda:

Garda Golf Country Club
Arzaga Golf Resort
Chervò Golf (further south)

In addition to sailing, tennis, biking and outdoor sports year-round.

Moniga is popular for its quality of life, offering:

- real tranquility
- security
- essential services close by
- lively but not congested center
- excellent mild climate most of the year
- less traffic than in Desenzano and Sirmione
- real estate investment
