## **A first impression**

There are homes that simply offer a view, and then there are homes that allow you to live inside the landscape itself. Evania rises above the shimmering waters of Mirabello Bay, where sunrise becomes a private performance and the sea stretches toward the horizon in uninterrupted calm.

Set on a 1,450 m<sup>2</sup> hillside plot, the villa blends naturally into its amphitheatrical surroundings. Across 365 m<sup>2</sup> of interior space, floor-to-ceiling windows frame the sea, while warm stonework, sculpted concrete, and timber screens echo the terrain. Open-plan living and dining areas flow seamlessly onto terraces, and four bedroom suites each offer private outdoor access and en-suite bathrooms. Integrated climate control, underfloor heating, smart-home technology, and high-speed connectivity ensure comfort year-round.

Outdoors, terraces lead to a striking infinity-edge pool that appears to merge with the bay. Sun-drenched decks, shaded lounges, and Mediterranean gardens create spaces for relaxation, dining, and entertaining, while the villa's design maintains a harmonious dialogue with the landscape.

Residents enjoy full integration into a premier Mediterranean community with a private marina managed by Camper & Nicholsons, holistic wellness and spa facilities, Bamford Spa treatments, fine dining venues, cultural experiences, sports amenities, and family programs, all supported by on-site medical services.

Positioned between Agios Nikolaos and Plaka, Villa Evania offers seclusion with year-round accessibility. Its refined architecture, sustainable ethos, and sweeping sea views make it an exceptional permanent residence or holiday retreat, fully meeting Golden Visa eligibility.
