## A first impression

Ideally positioned on a sunlit hillside just 5 minutes by car from Naoussa-Paros, the island's vibrant and cosmopolitan heart, Oceana, this exceptional south-facing villa, offers the perfect balance between privacy and access to Paros' most sought-after lifestyle. Surrounded by open horizons and commanding sea panoramic views toward Mykonos, Naxos, and Ios, Oceana, in a contemporary and minimalistic architectural style, enjoys an international atmosphere combined with the authenticity of the Cyclades. Here, tranquility meets world-class dining, yachting, boutiques, and beaches — all within moments — creating a setting of rare distinction and effortless Cycladic island living.

The residence unfolds over two thoughtfully designed levels, totaling 220?sq.m., shaped by the natural slope of the land to ensure uninterrupted light and sea views throughout. The upper level (145?sq.m) features a generous living room opening onto sea panoramic vistas, a fully equipped kitchen set slightly above the main space, and two bedrooms — including a master suite with en-suite bathroom — complemented by a second bathroom, both enjoying sea views. The lower level (75?sq.m) offers two additional bedrooms, one of which is a master suite, along with two bathrooms and direct access to the pool terrace. Every space is oriented toward the horizon, capturing golden sunsets, endless blue tones, and a profound sense of openness and freedom.

Perfectly suited for both refined family living and discerning investment, Oceana combines privacy, sustainability, and effortless comfort. Its flexible layout accommodates multi-generational stays, while expansive outdoor areas, infinity pool, and shaded terraces create an ideal setting for Mediterranean-Cycladic living. With minimal operating costs, strong rental appeal, and enduring architectural value, this residence represents a rare opportunity in the Paros luxury and authentic quality market — equally compelling as a private retreat or a high-performing asset.
