## A first impression

The Aegean Touch boasts a generous layout, featuring a total of 6 bedrooms, making it the perfect retreat for up to 12 guests. On the upper floor, two of these bedrooms stand out as master suites, each graced with its own en suite bathroom. The additional two bedrooms share a thoughtfully appointed common bathroom.

Adding to the villa's allure, a guest house awaits on the ground floor, complete with a private swimming pool and a veranda thoughtfully shielded from the wind. Within this charming guest house are two cozy bedrooms, including a master bedroom and another room with a double bed and a single bed, each with its own en suite bathroom.

This villa stands as a testament to opulence, offering a plethora of remarkable features. The crowning jewel, undoubtedly, is its main swimming pool—a tranquil sanctuary where you can bask in the sun, take dips, or simply surrender to the peaceful ambiance of your aquatic retreat.

The villa's expansive verandas open up to panoramic vistas that stretch across the Aegean Sea, framing both the old and new harbors of Mykonos. Here, you can relish the gentle sea breezes while feasting your eyes on the island's picturesque panoramas.
