A first impression

This well-kept apartment is located on the 1st floor of the garden house in an apartment building built in 1996 and offers a compact and well thought-out room layout on approx. 45 m² of living space. It is ideal for singles or couples looking for a cozy home. The property is ready to move into.

The apartment has two rooms, a bedroom and a spacious living area with an open-plan kitchen. This offers enough space for a cozy couch corner and a dining area. The south/west-facing balcony, which is accessible from the living area, invites you to relax or enjoy a glass of wine.

A fitted kitchen is available and the bathroom is equipped with a bathtub.

Laminate flooring has been laid in the living rooms, creating a warm atmosphere, while the kitchen, hallway and bathroom are tiled. All windows in the apartment are double-glazed and made of plastic, which contributes to the apartment's good energy balance.

The apartment is easily accessible via an elevator, with the exception of access to the balcony.

A duplex underground parking space for one car is available for an additional EUR 20,000.00. This is currently rented, but can be used for personal use.

A further advantage of the property is the string refurbishment carried out this year. This measure has further increased the value of the apartment. The heating system is operated centrally, including hot water preparation. A cellar compartment offers storage space.

The house rent is set at EUR 300.65 per month (incl. EUR 62.96 maintenance reserve). Reserves are available.

Overall, this apartment offers an ideal combination of functionality and comfort. It is ideal for people who appreciate a central location with good infrastructure and yet are looking for a quiet home.
