A first impression

A spacious 2-room apartment with around 90.51 m² of living space awaits you in the popular Licht Terrassen Berlin. The building was completed in 2023 and combines modern architecture with a quiet residential environment in Pankow. At the same time, you can enjoy the proximity to lively Prenzlauer Berg, which is one of the most sought-after districts in the capital with its cafés, restaurants and cultural offerings.

The apartment welcomes you with a bright entrance area that flows into the hallway and connects all the rooms. Next to the entrance door is a practical storage room, which offers enough space for a wardrobe or additional storage space. From here, the hallway continues into the spacious bedroom. The floor-to-ceiling windows look out onto the leafy inner courtyard, creating a cozy atmosphere that is accentuated by the modern wood-look floor.

The high-quality daylight bathroom is located next to the bedroom. It has a floor-level shower with folding doors, a bathtub, a towel radiator and a washing machine connection. Frosted glass windows provide pleasant daylight and sufficient privacy. There is also a separate guest WC opposite, which is a practical addition to the apartment.

Finally, you enter the open-plan kitchen, which blends harmoniously into the floor plan and forms the transition to the spacious living area. The modern fitted kitchen is fully equipped. Generous work surfaces make the kitchen a functional and inviting area.

The living room forms the heart of the apartment. Floor-to-ceiling windows let in plenty of light and lead directly to both balconies, which face east and north and add attractive outdoor spaces to the living area.

The apartment combines a well thought-out room layout, high-quality fittings and an attractive location between the tranquillity of Pankow and the liveliness of Prenzlauer Berg. Arrange a viewing appointment and discover the Licht Terrassen Berlin.
