A first impression

Spacious, family-friendly, and versatile, this detached two-family house boasts approximately 343 m² of living space on an 858 m² plot, offering ample room for comfortable living. The well-maintained garden with a pool creates an inviting atmosphere and is perfect for relaxation in any season. The clever layout of the property allows for use as either a single-family or two-family home. Upon entering the house, you pass through the entrance hall into the bright hallway, which leads to the open-plan living and dining room. The adjoining conservatory provides plenty of natural light and a lovely view of the surrounding greenery. The modern kitchen is located directly next to the dining area, ensuring convenience for everyday tasks. The ground floor also features a master bedroom, a children's bedroom, a large bathroom with a bathtub and shower, a guest WC, a fitness room, a kitchen, and a practical storage room. The staircase leads to the upper floor, which offers a variety of uses with an additional living room, two bedrooms, a separate kitchen, and another modern bathroom with a shower – ideal as a self-contained suite or a private retreat. The balcony is accessible from the bathroom or the first bedroom. In the spacious basement, you'll find a wellness area with a sauna, a hobby room (currently used as a workshop), a second kitchen, a laundry room, several storage rooms, and the boiler room. There's plenty of space here for hobbies, organization, and added living comfort. The expansive garden with a pool completes this exceptional home and offers ideal conditions for family, leisure, and relaxation. The property also includes four parking spaces and a spacious garage. We would be happy to send you a detailed brochure with photos and are, of course, available for a personal viewing appointment. We look forward to your inquiry. The property is available by arrangement.
