A first impression

This charming semi-detached house boasts a well-designed layout divided into two apartments: a ground floor with approximately 60m² of living space and a garden, and an upper floor with approximately 60m² of living space and a balcony. Both apartments have nearly identical layouts and share a staircase with separate entrances. They can be used independently and are currently rented as two separate apartments for a monthly rent of €865. This property, dating from 1908, impresses with its successful combination of historical character and modern living standards. The plot of approximately 348m² offers ample space for landscaping and outdoor living. The ground floor apartment welcomes you with a central hallway from which all rooms are accessible. To the right is the modern bathroom with a shower and bathtub. To the left is the open-plan kitchen, which flows seamlessly into the living and dining area. The patio doors in the living room lead directly to the beautifully landscaped garden, perfect for relaxation. The bedroom is adjacent to the kitchen. The top-floor apartment mirrors the layout of the ground floor: From the entrance area, the bathroom with shower and bathtub is to the right. To the left of the entrance is the open-plan kitchen, which flows directly into the comfortable living and dining area. The sunny balcony, offering a lovely view, is accessible from the living room and completes the upper apartment. The bedroom is also adjacent to the kitchen. The neighboring semi-detached house, No. 15, is also for sale. The property is available by arrangement. An energy performance certificate will be prepared. We would be happy to send you a detailed brochure with photos and provide you with a virtual tour. We look forward to your inquiry.
