## A first impression

In this former restaurant in Hille, a partial area of approximately 164 m<sup>2</sup> is available for commercial lease. You have the opportunity to rent individual commercial spaces here for a variety of uses. Among other things, the former dining room, approximately 94 m<sup>2</sup>, exudes a unique and rustic charm thanks to its brickwork and brick fireplace. Adjacent to this is the former club room, approximately 37 m<sup>2</sup>, as well as separate restrooms for men and women. Furthermore, you have the option of expanding the leased space and, for example, reviving the former kitchen and utilizing the cold storage room. Depending on your needs, a customized lease agreement can be arranged. Take advantage of this opportunity to realize your business concept in these charming premises. A small, cozy farm café would fit just as well here as offices, medical practices, or an impressive showroom with offices for tradespeople. Thanks to the well-designed layout and the individual possibilities, your imagination is virtually limitless. The commercial premises are separated from the rest of the property by their own enclosed entrance. In addition, at least four parking spaces are available for you and your customers directly in front of the entrance.
