## A first impression

Welcome to your new home - a charming detached house just a stone's throw from the picturesque Treptower Spree. Within walking distance of the water town of Spindlersfeld and yet in a wonderfully quiet location, a special property with character awaits you on a sunny plot of around 915 m<sup>2</sup>.

The façade with its stylish shutters and classic architecture from the 1930s catches the eye from the very first glance. The house was completely renovated in 1999 and still exudes the charm of times gone by.

With a living area of approx. 167 m<sup>2</sup>, the house offers enough space for the whole family. There are a total of 7 spacious rooms, two bathrooms, a kitchen and several storage rooms. A stylish covered entrance leads to the interior of the house, where on the first floor there is a spacious hallway, two large rooms and an impressive living and dining area of approx. 32 m<sup>2</sup> with a beautiful bay window and views of the garden. A functional kitchen, a shower room, a small chamber and a checkroom round off this level perfectly. The floors are fitted with original high-quality parquet or attractive floorboards, while the hallway, kitchen and bathroom are fitted with easy-care tiles.

A curved wooden staircase leads to the upper floor, where four further cozy rooms and a charming roof terrace await you. From here you can enjoy a wonderful view of the greenery. A spacious bathroom with bathtub, a practical storage room and a built-in wardrobe offer additional comfort.

The fully basement area with more than 90 m<sup>2</sup> provides plenty of storage space for hobbies, supplies or workshop areas. The underground garage, with direct access to the house, also provides convenient and secure parking and the insulated loft offers further valuable space for your ideas.

The property was extensively renovated and lovingly refurbished in 1999. Nevertheless, extensive modernization measures are now planned in order to restore the house to its former glory.

With its excellent location close to the S-Bahn (approx. 600 m on foot), the immediate proximity to the Spree, the large sunny plot and the charming architectural details, this

detached house is a real gem that offers plenty of potential for individual design options and represents a rare opportunity for families and lovers of classic houses.
