Step out your door and stroll just five minutes to the soft sands of Plakias Beach — then return to Myrrine, a private retreat where light, design, and nature meet in perfect harmony. Comprising two elegant villas, twin private pools, and sweeping sea views, this rare property redefines contemporary coastal living on Crete's southern shore.

Set on a 488 m² plot, the estate spans 270 m² and includes two fully independent villas, each designed for privacy, abundant natural light, and seamless indoor-outdoor flow. In total, there are five en-suite bedrooms — ideal for hosting guests, extended family, or premium holiday rentals. The first villa unfolds over three levels with three bedrooms, an open-plan living and dining area with fireplace, a sleek kitchen opening to the BBQ and alfresco dining terrace, and a sauna with panoramic sea views. The second villa offers two additional en-suite bedrooms, a second kitchen, and an extended living space that opens onto terraces and a rooftop veranda, perfect for private sunset views.

Outdoors, both villas feature private eco-friendly heated pools, outdoor showers, shaded seating areas under pergolas, two BBQs, and a wooden sauna. Parking is available for four vehicles. Modern comforts include air conditioning, fireplaces, double-glazed windows, high-end appliances, and designer finishes. The turnkey property also qualifies for the Greek Golden Visa, combining lifestyle appeal with long-term value.

Nestled on Crete's sought-after southern coast, Plakias is a picturesque village celebrated for its unspoiled natural beauty and relaxed sophistication. Once a traditional fishing harbour, it now blends serene beaches with vibrant local charm, offering upscale dining, boutique accommodations, and access to iconic beaches including Plakias, Souda, Ammoudi, and Damnoni. Cultural and natural landmarks, such as the Preveli Monastery and Kourtaliotiko Gorge, are within easy reach, making Plakias a destination for discerning homeowners seeking an authentic yet elevated Mediterranean lifestyle.
