Détails des commodités

Stylish living with a view in the heart of Oud-Zuid

Situated in one of the most exclusive neighborhoods of Amsterdam Oud-Zuid — the Banplein area — this beautifully renovated duplex apartment offers refined living across two floors, complete with a spacious rooftop terrace, two balconies, multiple bedrooms, and stunning natural light throughout.

You enter the apartment on the third floor via a well-maintained shared entrance. Upon entering, you are immediately struck by the spacious, bright hallway that provides access to all rooms on this level. A beautiful high-quality herringbone parquet floor runs seamlessly throughout the apartment, adding warmth and elegance.

At the front of the apartment is the charming en-suite living room, featuring tasteful paneling, a wood-burning fireplace, and access to the first balcony through French doors framed by a distinctive arched window. From here, you enjoy a rare and unobstructed view of the green Banplein — a unique blend of tranquility and vibrancy in the city.

At the rear, you'll find a bespoke, fully equipped kitchen fitted with premium built-in appliances, including a Bora cooktop, Quooker tap, and an espresso machine.

There's ample space for a dining table, making this the ideal spot for long dinners and cozy evenings with friends and family. Large windows and French doors open onto the second balcony, which overlooks the lush inner gardens of Banstraat, Hacquartstraat, and Reinier Vinkeleskade — creating a peaceful, light-filled oasis.

This level also features two spacious bedrooms. The master bedroom includes a walk-in closet and a discreetly integrated television niche hidden behind a piece of art. The luxurious main bathroom offers ultimate comfort, complete with a walk-in shower, freestanding bathtub, double vanity, urinal, and toilet. A second bathroom — also finished to a high standard — features a walk-in shower, toilet, and sink. In addition, there is a separate utility room with connections for a washer and dryer.

A comfortable fixed staircase leads to the fourth floor, where you'll find a full-sized additional room — perfect as a third bedroom, home office, or relaxation space.

From here, you have direct access to the generous rooftop terrace of approximately 40 m² — a true highlight of the apartment. From sunrise to sunset, you can enjoy full sun and panoramic views over the city.

In summary:

An exceptionally stylish, bright, and spacious apartment with a perfect layout, high-end finishes, multiple outdoor spaces, and a prime location in Amsterdam Oud-Zuid. A unique opportunity for those seeking comfort, privacy, luxury, and character — right in the heart of the city, yet with a true sense of space and freedom.
