Détails des commodités

Layout:

The apartment can be reached from both the ground floor entrance and the private parking garage via two elevators.

Upon entering the apartment, you will find a welcoming entrance area with space for a wardrobe and a meter cupboard. The spacious hallway provides access to all rooms and immediately draws your attention to the spectacular views. Thanks to the carefully designed layout, the views over the IJ and Noord can be enjoyed from various areas of the home, including the kitchen and terrace.

The bright and spacious living room is the heart of the apartment and surrounds a beautiful, sunny patio terrace — a wonderful place to relax, entertain guests, or enjoy the changing skies above the city.

The newly installed open-plan kitchen is stylishly designed and fully equipped with modern built-in Siemens appliances, while offering plenty of storage space.

The master bedroom is a peaceful retreat and provides direct access to the luxurious en-suite bathroom, complete with a walk-in shower, and double vanity. The apartment also features two additional bedrooms, ideal for family, guests, or a home office. The second bathroom is beautifully finished and includes a wall-mounted toilet, bidet, walk-in shower, and washbasin. In addition, there is a separate luxurious guest toilet with its own entrance area and sink.

A practical separate storage room with washing machine connection completes the apartment. The technical room contains the heat recovery system and sustainable WKO installation.

In the basement, you will find your own private parking space and a spacious storage room of approximately 7 m².

Comfort & sustainability:

The entire apartment is finished with a beautiful oak parquet floor combined with underfloor heating, which can also be used as a cooling system during warmer summer months. The sustainable installations ensure a comfortable and energy-efficient living environment all year round.

A unique opportunity to live in a high-end penthouse where luxury, views, comfort, and city life come together perfectly

Location:

The Ode Harbour complex is part of the impressive redevelopment of Oosterdokseiland – a modern neighborhood that effortlessly combines history and innovation. Where ships and trade once dominated, you'll now find high-quality architecture, international allure, and a vibrant mix of living, working, and relaxing.

Leading restaurants and hotspots, such as Restaurant Hemelse Modder, Sea Palace, BAUT Oosterdok, and various terraces and coffee bars, are located nearby. The iconic Amsterdam Public Library (OBA) and the Conservatory of Amsterdam are also just around the corner. Central Station is within walking distance, with direct connections to Schiphol Airport and the rest of the Netherlands. Excellent car access to the IJ Tunnel and Piet Hein Tunnel.
