Live above it all: five suites, infinity pool, 180° Aegean panorama.

Perched on the hillside of Agios Lazaros in Mykonos, Celestial Villa offers a rare combination of privacy and panoramic Aegean views. The residence is divided into two connected units with five en-suite bedrooms, each designed to capture light and the ever-changing sea beyond. Interiors are understated and calm, with natural materials, soft textures, and clean lines that create a sense of effortless comfort. Spacious living areas flow seamlessly onto terraces, letting the outdoors become part of everyday life.

Outside, the villa opens onto an infinity pool that seems to merge with the horizon, while multiple terraces, a shaded lounge, a bar, and a BBQ area provide flexible spaces for quiet mornings, leisurely lunches, or starry evenings. From every vantage point, the Aegean stretches endlessly, with the sacred island of Delos at the center. Celestial Villa is not just a home—it's a sanctuary on Mykonos, where space, light, and the sea define every moment.

Nestled in Agios Lazaros, one of Mykonos' most sought-after areas, Celestial enjoys both tranquility and easy access to the island's famed beaches, restaurants, and nightlife. Perched above the coast, it offers sweeping Aegean views while remaining private and serene—a perfect base to experience everything Mykonos has to offer without compromise.
