Merelle, the view is yours, guaranteed.

This newly completed, contemporary villa is a study in Mediterranean minimalism, poised on an expansive 7,300 m² private estate above southern Heraklion. The 188 m² residence blends sleek indoor comfort with an expansive 300 m² of seamless outdoor living, ensuring open sea and sunset views from every angle. At its heart lies a heated, automated 4x7 m saltwater pool, bordered by generous pergolas and a full covered outdoor kitchen. Built in 2025 with year-round living in mind, the villa features high-end finishes, thermal insulation, and readiness for a heat pump system, providing a secure, energy-efficient, and elegant sanctuary.
