Az első benyomás

Merelle, the view is yours, guaranteed.

This newly completed, contemporary villa is a study in Mediterranean minimalism, poised on an expansive 7,300 m² private estate above southern Heraklion. The 188 m² residence blends sleek indoor comfort with an expansive 300 m² of seamless outdoor living, ensuring open sea and sunset views from every angle. At its heart lies a heated, automated 4x7 m saltwater pool, bordered by generous pergolas and a full covered outdoor kitchen. Built in 2025 with year-round living in mind, the villa features high-end finishes, thermal insulation, and readiness for a heat pump system, providing a secure, energy-efficient, and elegant sanctuary.

Set near the charming village of Pitsidia and just an hour from Heraklion, this villa offers a captivating blend of heritage and warmth. The area provides an authentic Cretan pace, surrounded by natural beauty and olive-dotted hills. A short drive reveals the ancient soul of Matala, famed for its dramatic cliffs and Homeric legend. This location guarantees more than beauty; it offers a peaceful lifestyle rooted in simplicity and joy, where you can slow down, connect deeply with nature, and feel completely at home.

Von Poll Greece offers a full spectrum of services to guarantee a transparent, secure, and efficient acquisition process. Beyond our core real estate expertise, we guide buyers step-by-step through the entire journey—from initial search and due diligence to contract signing and final handover. We collaborate with a trusted network of seasoned professionals, including legal advisors, notaries, tax consultants, and architects, ensuring every financial and regulatory stage of acquiring your refined residence in Greece is handled with confidence.
