Discover Your Private Coastal Haven: Land with Building by the Sea
Imagine waking each day to the gentle caress of sea breezes and stepping straight from your doorstep onto pristine, sun-kissed shores. This exceptional property offers more than just land—it is a rare invitation to embrace an unrivaled coastal lifestyle where the Aegean's shimmering waters are your constant companion.
Set on a generous parcel of land, this offering commands breathtaking, panoramic views of the endless sea and the famed island of Antiparos visible on the background. With direct, private access to the beach, you are not simply near the water—you live in seamless harmony with it. Just moments from the charming port of Punta and a swift journey to Antiparos, this location perfectly balances serene isolation with convenient connectivity.
The existing building, modest and full of character, stands ready for a visionary transformation. It is a blank slate brimming with potential, waiting for you to reimagine and create a bespoke sanctuary that captures the spirit of this extraordinary place. More than a structure, it is a promise of mornings filled with the sound of waves, evenings bathed in golden sunsets, and a life defined by the rhythm of the sea.
This plot is your canvas to design a unique island retreat, where every detail reflects your vision and the timeless beauty of the Aegean.
For those who seek an intimate, unparalleled connection to the sea, this is more than a property—it's the beginning of a dream realized.
