Una prima impressione

A modern gem of a maisonette in Antiparos with breathtaking views of the vast Aegean Sea and the island of Iraklia. This property is of exceptional construction, respecting the minimalistic Cycladic architecture, and is sure to captivate even the most discerning lover of Antiparos and the Cyclades.

Located just 400 meters from the golden sandy beach of Agios Georgios in Antiparos, it allows for early morning, afternoon, or evening sea exercises. Additionally, its proximity to both cosmopolitan and traditional tavernas offers a variety of unique dining experiences. In the evening, the owner can enjoy the view from the veranda and the pool, gazing at the luxury yachts anchored serenely between Despotiko and Antiparos. The spacious verandas provide an opportunity to watch the sunset meet the moonrise, creating a magical experience.

The maisonette is spread over three levels, ground floor, loft, and basement, connected by an internal staircase, covering a total area of 107 sq.m. It has three bedrooms (all three master), three bathrooms, a WC, and two parking spaces, one of which is outdoor. Furthermore, the space is illuminated by an internal patio that is ideal for relaxation.

The property has an energy certificate of class A+. It is currently under construction with a scheduled delivery in 2025, offering the buyer the opportunity to select materials of their choice at this stage.

Located just 12 kilometers from the town and port of Antiparos, the property faces southwest. Its easy accessibility allows the owner to enjoy the vibrant life of both Antiparos town and the Naoussa of Paros, even at night.

This property is ideal for a holiday home, short-term rental, or investment. It features parking and a pool, offering all modern comforts.
