The home offers 4 bedrooms, 2 living areas, 1 kitchen, and 4 open parking spaces, with construction completed in 2025. It features an energy class A++ rating, autonomous heating, air conditioning, solar water heating, ventilation, sound and thermal insulation, thermal facade, double-glazed windows with thermal break frames, and a fully energy-autonomous setup with solar panels. The villa also includes a swimming pool, landscaped garden, BBQ area, storage, security door, alarm system, fire protection, smoke detector, internet, car charger, septic tank, and open views of the sea, nature, and surrounding landscape.

Designed with a refined minimal aesthetic, the villa emphasizes natural light, comfort, and privacy. Expansive outdoor sitting areas, a pool deck, grassed areas, trees, and shaded terraces create the perfect setting for relaxing, entertaining, and enjoying the Cycladic environment. Ideally located close to the seaside, just 17 km from the airport, 19 km from the port, 15 km from Naoussa, and 5 km from Golden Beach, this property is perfectly suited as a holiday home or a high-value investment. Its bright, airy, and sunny character, paired with panoramic sea and nature views, makes it an exceptional opportunity in Paros.
