Paros, one of the heart gems of the Cyclades, has a history stretching back to ancient times, when it was famed for its pure white Parian marble used in classical sculptures like the Venus de Milo. In antiquity, it thrived as a cultural and maritime center, later shaped by Byzantine and Venetian influences. Today, its whitewashed villages and blue-domed churches reflect the timeless Cycladic architecture. Golden beaches, crystal-clear waters, and charming fishing harbors make Paros a perfect blend of history and natural beauty.
