Una prima impressione

Some properties are acquired for what they are. Others for what they have the potential to become.

In Foteimari, one of Kea's most promising coastal enclaves, where the light of the Aegean seems to linger a little longer and privacy remains a given, Onar reveals a different side of the Cyclades. Defined by panoramic sea views, timeless Cycladic character and the rare opportunity to shape a property according to a personal vision, Onar offers both immediate enjoyment and future potential. The nearly completed main residence has been designed to embrace its surroundings, opening seamlessly to the horizon through generous terraces and light-filled living spaces, while the independent lower level presents an exceptional opportunity to create guest suites, a private retreat or additional accommodation tailored to the owner's lifestyle. Just minutes from Yaliskari Beach, Onar combines the tranquility of an authentic island sanctuary with the appeal of an investment poised to mature alongside the area that surrounds it. More than a residence, Onar is a rare chance to secure a place in one of Kea's most compelling emerging destinations.

Kea, also known as Tzia, is the perfect destination for those seeking luxury living, combining natural beauty, absolute tranquility, and privacy. Charming coves, lush landscapes, and crystal-clear waters create unforgettable moments, while marinas and opportunities for sailing or private yachts offer exclusive sea experiences. With a rich history, cultural events, and high-quality gastronomy, Kea blends authenticity with refinement, while its proximity to Athens — just a short ferry ride away — ensures easy access for permanent or seasonal high-end living.
