## Una prima impressione

Enjoy ample outdoor living just moments from the sea! In the prestigious seaside neighbourhood of Varkiza, Azure Haven is an exceptional 290 sq.m. maisonette that blends refined architecture with the relaxed elegance of the Athenian Riviera lifestyle. Currently under construction and scheduled for completion in March 2027, this residence has been designed to offer both privacy and sophisticated contemporary living.

Developed across spacious levels, the maisonette features four elegant bedrooms and beautifully designed living areas filled with natural light. Expansive floor to ceiling windows invite the Mediterranean sun inside, creating a seamless connection between the interior spaces and the surrounding garden. Soft neutral tones, high quality materials, and carefully curated finishes enhance the sense of calm and understated luxury throughout the residence.

The living and dining areas open directly onto the private garden, where a striking glass edged swimming pool of approximately 21 sq.m. becomes the centerpiece of the outdoor space. Surrounded by lush greenery and enhanced by a stylish outdoor fireplace, the garden offers an inviting setting for relaxation, entertaining, and enjoying the Riviera's exceptional sunshine throughout the day.

Azure Haven combines modern comfort with technical efficiency, offering thoughtfully designed interiors, generous living spaces, and one covered parking space, ensuring convenience and practicality for everyday living.

Located in Varkiza, one of the most sought after coastal destinations of the Athenian Riviera, the residence enjoys proximity to beautiful beaches, seaside promenades, fine dining, and vibrant summer life. The area offers the perfect balance between tranquil seaside living and easy access to the cosmopolitan centers of Vouliagmeni and Glyfada.
