A rare garden maisonette in Glyfada, directly connected to the ground and defined by private outdoor living across multiple levels.

DUNE is a garden maisonette defined by its direct relationship with the earth and a seamless extension into a private landscaped environment with swimming pool and fire pit. Set between the coastline and the Glyfada Golf Course, it offers a grounded form of living within the Athenian Riviera. Organized across three levels, the residence balances openness and privacy, with main living areas extending toward the garden and more secluded spaces positioned deeper within the volume, creating a clear spatial hierarchy while maintaining continuity throughout.

The outdoor area unfolds across two split levels, forming a layered private landscape that enhances both usability and depth. A double-height space introduces vertical openness at the core, allowing natural light to penetrate deep inside and strengthening the connection between interior and exterior. The result is a grounded, fluid residence defined by privacy, continuity, and a direct relationship with the landscape of Glyfada.

Glyfada is one of the most established districts of the Athenian Riviera, defined by its coastal setting, urban convenience, and residential prestige. Framed by the sea and the Glyfada Golf Course, it offers rare openness within the city while remaining close to central Athens, with marinas, high-end retail, and fine dining shaping a complete lifestyle destination.
